

# Beam Angled Aluminium Profile

## Specification:

**Finish:** Aluminium with Opal PC Cover

**Available Lengths:** 1000mm and 2200mm

**Dimensions:** 16mm x 16mm (with 10.5mm wide internal section)

## Product codes:

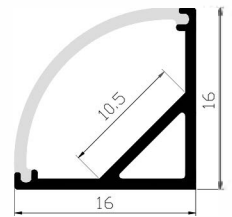

SE982120 - Beam Angled Aluminium Profile - 1000mm

SE982220 - Beam Angled Aluminium Profile - 2200mm

SE983050 - Additional End Cap Set for Angled Aluminium Profile

SE984050 - Additional Mounting Bracket Set for Angled Aluminium Profile

(Each profile is supplied with a set of end caps and mounting brackets. Additional can be purchased using the codes above if required).

## Key Selling Points:

- Can be surface mounted under kitchen cabinet or used inside tall housing units or wardrobes
- Use with the Compact, Viva or Primo flexible strip
- Opal diffuser creates completely diffused LED points
- A versatile product as both the profile and flexible strip can be cut to length
- Hole cut in the end cap of an adequate size to fit a JB4 connector. All strips (other than DuoFlex and RGB) will fit through the pre-cut hole. If you wish to use the DuoFlex or RGB strip in this profile the hole will need to be extended by the fitter on installation.
- Supplied with one cut out end cap and one with no cut-out for a neat finish
